## || Life Predictions ||

### Character

You are a lover of all that is beautiful, whether it is a work of art, a pleasant landscape or a person of good appearance. Not only do you value beauty as measured by the eye, but you are attracted also by beauty in other forms. Good music appeals to you, a good character possessed by an individual appeals to you. You are a connoisseur of everything that is above ordinary. You have a gift for making other people happy. You know how to comfort those who are troubled and you know how to make them pleased with themselves. This is a rare gift and there are not enough people like you in the world. You are not as practical as some people, and in keeping appointments, you are not too punctual. You are somewhat over-sensitive and there are times when you are put out needlessly. But your displeasure does not show itself in the form of a squabble. Disharmony is a thing you avoid at all costs. May be, you nurse a grievance, but this is something that others are never allowed to sense. You keep it strictly to yourself.

### Happiness And Fulfillment

You are a practical person. You have the ability to systematically organise your life, sober-mindedly realising that you must work for success. You tend to be a loner, preferring to think and study, and excel at solving difficult problems. Sober and cautious, you can be completely fulfilled if you will view life with more optimism. You are usually happier in life when you come to the realisation that life is not as bad as you thought it be.

### Life Style

You feel that others will regard you with esteem only if you have acquired wealth and material possessions. This is not true, so pursue your goals which are in harmony with what you really want to do.

## || Life Predictions ||

### Career

You like to avoid office politics and refuse to fight against others for coveted positions in industry. Find situations where you can work alone, do your own thing, and work at your own pace, such as writing, painting, computer programming and so on.

### Occupation

Your inherent push and go are very useful acquirements. Whilst others are debating, you are acting, and it is the early bird that gets the worm. You should cast away all thought of taking up a profession or occupation that requires polish and gentleness. You are far too practical to bother about surface qualities. They irritate you. You are a person of action and prefer rough and ready efficiency to anything else. You could play the part of an explorer admirably, both in real life and on the films. You would be far better as a surgeon than as finance consultant. At any job where skill in making things was needed, you would succeed. Engineering may be cited as such a job. There are many occupations at sea which would suit you extraordinarily well. As an aviator, you would display the requisite pluck and daring. There are endless fields for your energies in work connected with land. Not only would you make an excellent farmer, but you would do equally well as a surveyor, a mining engineer and a prospector.

### Health

While you are not actually robust, there are few reasons, however, why you should be concerned about your health. Your chief ailments will be more imaginary than real. Nevertheless, they will cause you a certain amount of unnecessary anxiety. You look into yourself too much and wonder why this or that has happened, when, in reality, it is nothing worth thinking twice about. You are apt to read medical books, and your imaginations manufacture the symptoms of dread diseases. You may suffer from throat troubles at some time or other. Avoid drugs, except those prescribed by a doctor. Lead a natural life, have plenty of sleep, take sufficient exercise and eat sensibly.

## || Life Predictions ||

### Hobbies

Your leisure moments must be spent in a manner fitting to your temperament. Seeing that you value refinement and comforts, you do not care for rough or strenuous games. You like the company of others and you seek the bright-spots of life. Card-playing, probably, tempts you, but it has no attractions unless money stakes are involved. And, here, it may be well to warn you against gambling. If allowed, it might take a strong hold on you.

### Love Matters

In love matters, you are just as vigorous as you are in work and play. Once you fall in love, you want to be in the company of your intended-one every available minute of the time. You are too wise to neglect your work. But, once the work is accomplished you will hurry off to trysting-place to keep the appointment. When marriage is an accomplished fact, you will want to rule the home. The ruling will not be done, necessarily in an aggressive manner, it will certainly be efficient. If you are a woman, you often help your husband in his business affairs and this you perform with marked efficiency.

### Finance

You will have many ups and downs in money matters, but chiefly owing to your own rashness and in attempting enterprises beyond your power of execution. You would make a successful company promoter, preacher, orator or organiser. You will always have the ability to make money but at the same time you are likely to make bitter enemies in the course of your business. You will be under good conditions for making money in business, industry or enterprise, and you will have many opportunities of amassing wealth if you keep control over your strong-willed disposition, which at times will be inclined to wreck your good fortune by causing expensive litigation and powerful enemies to rise in your path. So, you should try to develop tact in the handling of individuals and avoiding disputes.

## || Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Sixth house from Lagna, while in the Moon chart Mangal is placed in Fifth house.

### Hence Mangal Dosha is present neither in Lagna Chart nor in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

### Some Remedies (in case Mangal Dosha is present)

#### Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

#### Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

#### Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

### Shani Sade Sati: Rising Phase

This is starting period of Shani's Sade Sati. In this period Saturn will be transiting in 12th house from the Moon. It generally indicates financial loss, problems by hidden enemies, aimless travel, disputes, and poverty. During this period, you may face problems created by your hidden enemies. Relationship with your colleagues will not be good enough and they will create problems in your work environment. You may also face challenges on your domestic front. This may create pressure and tension. You need to exercise control over your spending otherwise it will lead to bigger financial problems. Long distance travels may not be fruitful during this period. Saturn's nature is of delay and dejection, but generally you will get results eventually, so be patient and wait for your turn. Take this period as learning period, put your hard work and things will fall in place. You are advised not to take high risks in business matters in this period.

### Shani Sade Sati: Peak Phase

This is the peak of Shani's Sade Sati. Generally this phase of Saturn is the most difficult one. Saturn transiting over natal Moon indicates health problems, character assassination, problems in relationship, mental afflictions, and sorrows. You will find it difficult to achieve success in this period. You may not get results of your hard work and feel restricted. Your constitution and immune system will not be strong. As first house is the house of health, you should start exercising and taking care of your health, otherwise you can be caught by chronic diseases. You may suffer from depression, unknown fear or phobia. You will lack clarity in thinking, action, and decision making. You will be spiritually inclined and will be attracted by intricacies of nature. Acceptance and doing basics right will sail you out of this period.

### Shani Sade Sati: Setting Phase

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

**Note:** Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also needs to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

### **Moon in your 2nd house:**

The results of the 2nd house, when Moon is placed therein, will be influenced by Jupiter, Venus and the Moon, because this is the Puckka Ghar, the permanent house of Jupiter and Venus is the lord of the second Rashi Taurus. The Moon gives very good results in this house, as it becomes very strong here because of the friendly support of Jupiter against Venus.

Such a native may not have sisters, but will certainly be having brothers. In case he doesn't have, his wife will certainly have brothers. He will certainly receive his due share in parental properties. Whatever be the planetary position otherwise, but the Moon here will ensure male offspring to the native.

The native will receive good education, which will add to his fortune. The Business associated with the things of the Moon will prove highly advantageous. He may be a reputed teacher also.

The Ketu placed in the 12th house will cause eclipse of the Moon here, which will deprive the native either of good education or of male children.

#### Remedies

- (1) Temple within the native's house may deprive the native of male issue.
- (2) The things associated with the Moon, i.e., silver, rice, non-cemented floor of the house, the mother and old women and their blessings will prove very lucky for the native.

## || Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
